Admin login

SuperAdmin:

① When we deploy Acma product, by default a user should provisioned with Sending an Email for Verification.

② Once Email Verified, it should ask for password reset. Once password reset done, it should take us to Acma login page. Home page.

③ Once Super Admin login, Super Admin Can Create Admins.

④

Admins	Leads	Underwriters	Policy Center
	Quotes	Brokers	
Agents	Insurers	premiums	
Owners	Policies	Billing Center
